HOLIDAY FUND

To Our Bella Vista Country Club Members
The Employee Holiday Fund is a time-honored tradition at private clubs. It is the one time of the year that the membership can monetarily thank all employees. These staff members, some of which are behind the scenes working hard to maintain our beautiful course, as well as our chefs & kitchen staff, pro shop, bag drop, house keeping and office staff, ensuring that our club members and guests receive the highest quality of service and club experience. Understandably, you may acknowledge some of our staff for a job well done throughout the year, but the Employee Holiday Fund addresses everyone.

Once again, we are taking a simple approach. You will find on your monthly statement an Employee Holiday Fund donation. By placing it on your bill we streamline your effort so that we can proportionately distribute the Funds in time for Holiday shopping and plans.

The staff of Bella Vista Country Club greatly appreciate your positive response and wishes you and yours ...
