A MESSAGE OF CONFIDENCE TO OUR  
MEMBERS AND CLIENTS FOR  
2026

I want to personally thank each and every member who has approached myself and my staff with concerns regarding the recent rumors that Bella Vista Country Club has been sold. Since Gary's passing in April, there have been unsolicited inquiries from outside parties interested in purchasing the club. Unfortunately, this has created unnecessary concern that we will not be here in 2026, undermining the trust and relationships we have built with our members over the years.

Since 1995, our mission has always been rooted in *Building Relationships Through Trust* and our ongoing commitment to Constant and Never-Ending Improvement. That promise has not changed. We remain dedicated to providing our members and clients with an enjoyable, high-quality experience, now and into the future.
