## An Introduction To Our New Head Golf Professional

We are delighted to welcome our new Head Golf Professional, Josh Larys

### His Message To Our Members

I'm excited to step into the role of Head Golf Professional here at Bella Vista Country Club.

I began my golf career in 2017 and quickly worked my way through the professional ranks, gaining experience in all aspects of club operations from outside services to First

Assistant Professional, and now Head Professional. That journey has given me a deep understanding of what it takes to create a great experience for members both on and off the course. I've also been heavily involved in running tournaments, leagues and member events, and I take pride in creating a competitive yet welcoming environment for everyone who participates. My goal this season is simple: to elevate the overall golf experience at Bella Vista Country Club. That means improving the quality of our events, providing better instruction opportunities, and ensuring the golf operation runs at a high level every day.

I'm looking forward to meeting all of you, working together, and building a great golf culture here at the club.
